

NOTICE:

The Following Water Restriction is now in place.

Effective June 15, 2022

No outside watering between 12 p.m. and 5 p.m. and 12 a.m. and 5 a.m.

Strictly following this mandate will allow our tanks to regenerate, provide resources for fire protection, and provide adequate water for community and household needs. We will continue to assess the situation and update restrictions based on conditions.

Sprinkling systems must be programmed to support these restrictions.

NOTE: Given the severe drought Utah is experiencing, this is not a recommendation. It is a mandatory restriction and will be enforced.

1st Violation – Warning

2nd Violation - \$50 Fine

3rd Violation – \$100 Fine

4th Violation - \$150 Fine, etc.
