## Notice: Effective June 1, 2021

**NO OUTSIDE WATERING:**

**12 pm – 5 pm & 12 am – 4 am**

Strictly following this mandate will allow our tanks to regenerate, provide resources for fire protection, and provide adequate water community and household needs. We will continue to assess the situation and update restrictions based on conditions.

Sprinkling systems must be programmed to support these restrictions.

NOTE: Given the severe drought Utah is experiencing, this is not a recommendation. It is a mandatory restriction and will be enforced. Citations will be issued. Failure to comply is a Class B Misdemeanor. (Town Code 8-1-26)

Go to [slowtheflow.org](http://slowtheflow.org) for lots of great tools and resources to help conserve our water!
